

# What & When We Accept Guidelines

Welcome and thank you for your interest in consigning with us. Our goal is to sell the items you consign with us and the following guidelines are in place to help us accomplish our goal. Please do not be offended if we do accept your items; we have thousands of consigners bringing in clothes and very limited space; because of this we must adjust our inventory to match the season and current trends.

**Condition:** Freshly laundered, lightly worn, nicely folded or on hangers Recent styles ( not more than 3 years old) or vintage/timeless items No rips/tears, stains, odor, pet or human hair, pilling. **Any items found not meeting these conditions will be donated immediately, this may happen even after items have been sorted.**

**Infant Clothing:** Individual items may not be accepted; please package onsie's, t shirts, sweat pants etc. by size in zip lock bags. We are unable to put items on the floor that will not sell for a minimum of \$1.99

**Toys:** Must be packaged for sale, all pieces must be in closed packaging, zip lock bag or taped up box etc. Toys with multiple pieces or requiring assembly will sell better if a picture of the item is included

**Active Wear:** Only name brand active wear will be accepted.

**Consignment Items are limited to combined total of 15 a week:**

- 2 jackets or winter sweaters
- 2 pairs of shoes

## Seasonal Calendar of accepted items
